Druck
a Baker Hughes business

Druck's DPI620G-B

Modular, electrical measurement

Building on the successful DPI620G series.

Part of the Genii Advanced Modular Calibration System

Cost effective electrical measurement for pressure calibrations when used with:

PV621/622/623/624 pressure generation stations, or MC620G module carrier and PM620/PM620T pressure modules.

That's **Geniius.**
