

a Baker Hughes business

Druck's DPI620G-H

Modular, HART communicator

Building on the successful
DPI620G series.

Part of the
Genii Advanced
Modular
Calibration
System

**Cost effective electrical measurement for
pressure calibrations when used with:**

PV621/622/623/624 pressure generation stations,
or MC620G module carrier and PM620/PM620T
pressure modules.

That's Genius.
